Gornitzky & Co. contributed the Israeli section of the 'Commercial Leases & COVID-19' Guide

Publications

Gornitzky & Co. contributed the Israeli section of the 'Commercial Leases & COVID-19' Guide, a comparative guide providing a very interesting and insightful view of the various approaches taken by countries worldwide in order to address the implications of COVID-19 on commercial lease agreements, published by Florent.

We are proud to take part in this collaboration of esteemed law firms from all over the world, who launched this unique global project.
