Israel's international tax system for individuals – new rules?

The Israel Tax Authority recently established a special internal committee which has been charged with, inter alia, changing the tax residency tests for individuals, the scope and period of the tax benefits apply to new Israeli residents and veteran returning residents and the exit tax provisions.

Partners Daniel Paserman (CPA) TEP, Head of Tax and Inbar Barak-Bilu (CPA) TEP, in an article for IBA Private Client Tax Committee, reviewing the Committee's conclusions.
