Our firm represented Curatio.DL, a subsidiary of FBF IP Group, in the negotiation with Harvard University in the medical field.

News

Our firm represented Curatio.DL, a subsidiary of FBF IP Group, in the negotiation with Harvard University of an agreement, whereby a global license to commercialize certain patented technology of Harvard in the medical field, was granted to Curatio.DL. The complex transaction also entails the issuance of shares in Curatio.DL to Harvard.

Curatio.DL was represented by partners Daniel Marcus and Dr. Ziv Rotenberg, together with associate Yael Heiman.
