Our firm represents venture capital fund Group 11 in a US \$120 million closing of its fifth fintech fund

News

Our firm represents venture capital fund **Group 11** in a US \$120 million closing of its fifth fintech fund and in its registration process for trading on the Tel Aviv Stock Exchange's TASE UP trading platform. Group 11's Fund V will be the first fund to be traded on TASE UP. Among the investors in the Group 11 Fund V are prominent Israeli institutional investors, including the Migdal Group, Harel Investments Group, Menora Mivtachim Group and other groups, together with a number of family offices from the United States and Israel.

The fund is represented by partners Dr. **Eyal Raz**, **Sharon Werker-Sagy**, **Daniel Paserman** (Head of Tax), **Gila Ponte-Shlush** and **Dr. Assaf Prussak**, together with Senior Associate **Nir Moses** and Associate **Amit Ron**.
