Gornitzky advises Extra, a new player in the Israeli public transportation space, in an almost NIS 500,000,000 financing provided by Leumi Bank

News

Gornitzky's banking & finance team represented Extra Public Transportation a new Israeli public transportation operator established by Alon Blue Square Israel (TASE:BSI) Psagot Easybus and Tzir transportation in an almost NIS 500,000,000 financing provided by Leumi Bank for the establishment and operation of bus service operations in the area of the city of Netanya pursuant to a public tender it was recently awarded.

The GNY team was led by Head of Banking & Finance Eli Elya together with Partner Ori Yitzhak and Associates Hana Atias and Eli Louz.
