BiomX raises \$15 million.

News

Our firm represented **BiomX** in raising **\$15 million** in a transaction under which a number of investors invested through placement agents (Cantor and Chardan). BiomX, a Delaware company that is traded in the New York Stock Exchange and in the Tel Aviv Stock Exchange, is developing treatments that use bacteria-attacking viruses to treat a variety of illnesses.

BiomX was represented by partner **Shy Barnov** and Associates **Rebecca Genis** and **Yarden Wulkan Rozenman**.
