### News

Our firm successfully represented **Dan Public Transportation Company Ltd.** in an appeal filed with the Supreme Court with respect to a ruling in which a motion to certify a claim as a class action against Dan was dismissed. In the motion, the plaintiff argued that Dan does not upload automatically senior-citizen discounts on multi-line cards of senior citizens who reached the eligibility age, nor does it retroactively refund senior citizens who have exercised their eligibility after the fact. Following a hearing in the Supreme Court, and upon the recommendation of the panel of judges, the appellant withdrew the appeal in view of the absence of a ground for its appeal.

Dan was represented by Partner **Tom Alkalay**, along with Associate **Rachamim Cohen**, and Intern **Agerselam Amara**.
