Our firm represented OPC Energy in a merger transaction and in another transaction with Dor Alon Gas Power Plants

News

Our firm represented **OPC Energy** before the Competition Authority in a merger transaction with **Veridis Power Plants** and in another transaction with **Dor Alon Gas Power Plants**, in which OPC acquired the power plant adjacent to the **Sugat** factory. The transactions were examined by the Authority for an extended period of time and were finally approved without any conditions.

OPC was represented by partner **Avner Finkelshtein** together with associate **Lior Frank**.
