Our firm represents a pharmaceutical company that is part of an international concern

News

Our firm represents **a pharmaceutical company that is part of an international concern** in hearing proceedings before the Competition Authority, which announced that it intends to impose financial sanctions in the amount of over NIS 9 million, alleging abuse of dominant position.

Our firm submitted a petition to the Supreme Court, alleging fundamental errors in the hearing process that violated the right to be heard. The Supreme Court approved our request and issued a temporary order suspending the hearing process until the petition is decided.

The petition was filed by Partners **Harel Shaham** and **Avner Finkelshtein** together with Associates **Lior Frank** and **Adi Snir** with Intern **Daniel Yarom**, in cooperation with Keren - Pesah Law Firm.
