[Baker McKenzie](#) and Gornitzky GNY middle eastern offices come together in Tel Aviv

We were pleased to host our joint conference with Baker McKenzie firm, Doing business in the gulf cooperation council & middle east conference!

Together with amazing guests, we discussed the latest developing trends post Abraham Accords structures, focusing on technology.

Thanks to all [Baker McKenzie](#) specialists from Egypt, Morocco, Bahrain, Qatar, and the UAE. We were lucky to have you with us.

Thanks to [Naor Morag](#) – Head of the Intelligence Institute from the Israel export institute, for a fascinating lecture.

We need to do it more often

Can't wait for our next collaboration!
