## **Our firm represented the Israel Hotel Association in the Evacuees Agreement with the Accountant General**

### News

Our firm represented the Israel Hotel Association in an agreement with the Government Procurement Administration of the Accountant General's Division of the Ministry of Finance, for the accommodation of evacuees. Pursuant to the agreement, the Israel Hotel Association will serve as the entity providing assistance in the process to place the evacuees in accommodation, and it will serve as the liaising body between the local authorities, the State and the hotels, in accordance with the criteria set forth in the Agreement
