Financial Closing – Egged Jerusalem Ring Ltd.

News

Our firm represented the company, Egged Jerusalem Ring, a subsidiary of Egged Transportation Company Ltd. (controlled by Keystone Infra), which is the winner of the tender for the operation of service lines in the bus public transport in a cluster of areas to the west of Jerusalem, in the financial closing with Israel Discount Bank, as the credit manager.

The total cost of setting up the project and the required financing is approximately half a billion shekels.
