One Unit of Blood Can Save the Lives of Four People!

News

Did you know? One unit of blood can save the lives of 4 people! Due to a severe shortage of blood supplies for injured soldiers hospitalized at Shiba Hospital in Tel Hashomer, our firm organized a blood donation collaboration with the Blood Bank and the hospital's Blood Donation Unit. We are proud to announce that 47 units of blood were donated! A heartfelt thank you to all the generous donors. Your donations will help save lives and improve the condition of many in need.
