Gornitzky represents Mobile operator Golan Telecom, which was acquired by Electra Consumer Products

News

Upon receiving all necessary regulatory approvals, the acquisition of Golan Telecom by ECP for NIS 350 million has been completed. The deal was signed at the start of January 2017, and upon completion of ECP's due diligence and receipt of all regulatory approvals, the deal was consummated with ECP acquiring control of Golan Telecom.

Golan Telecom and its shareholders were represented by Chaim Friedland (Partner, Corporate), Lior Porat (Partner, Telecoms), Avner Finkelshtein (Partner, Antitrust), together with Avi Meer, Asaf Avtuvi and Noa Schweitzer.
