Gornitzky represents Ford in a multi-million dollar acquisition

News

Gornitzky represented the American car manufacturing Ford in connection with the acquisition of SAIPS, an Israeli computer vision and machine learning company. Ford announced the acquisition as part of its pledge to develop a commercial fully autonomous vehicle fleet by 2021.

Ford was represented by Chaim Friedland (Partner) Daniel Paserman (Partner, Tax), Yehonatan Raff, Aviad Rabinowitz, Danielle Skald (Tax) and Bar Sarafian.
