Gornitzky successfully represented Eitanit Construction Products Ltd. in a hearing before a Supreme Court panel regarding development and paving fees.

News

Gornitzky successfully represented Eitanit Construction Products Ltd. in a hearing before a Supreme Court panel, headed by President E. Hayut, regarding the demand for payment of development and paving fees in the amount of approximately NIS 18 million, issued to the company by the Nahariya Municipality.

The Court approved the ruling and accepted the administrative appeal filed by our firm, thereby entirely dismissing the demands and adopting the interpretation of the relevant law presented by Eitanit, regarding the question of what is an "adjacent property".

The company was represented by Noam Ronen (Partner) and Sarit Naaman Shaag (Senior Associate).
