The protection of investments and international arbitration as factors to consider when constructing structuring a transaction.

Client Updates

What are Bilateral Investment Treaties (BIT)? What types of investment protection are provided for the Israeli investor? How does the recent ruling of the Court of Justice of the European Union regarding these treaties affect the Israeli investors?

Partners Eli Cohen and Nir Keidar, together with Associate Isack V. Hasday, in a client update regarding the protection of investments and international arbitration as factors to consider when constructing structuring a transaction, and as a means of risk management in foreign investments.
