Gornitzky represents Sahar Holdings in a claim filed against it

News

Gornitzky represented Sahar Holdings (of the Delek Group) in a procedure to dismiss a claim filed against it by Dizengoff Tel Aviv 176 Ltd., before the Tel Aviv District Court. The plaintiff claimed that Sahar Holdings refrained from acting with "proper diligence" to register its rights to "Beit Sahar", an asset which was sold to Dizengoff in 2010 for over NIS 25 million.

Following an arbitration proceeding before Mr. Amos Gabrieli, both sides agreed to the dismissal of the claim, without Sahar Holdings having to pay Dizengoff any fees.

Sahar Holdings was represented by Olry Tenennbaum (Partner) and Alex Feldsher (Associate).
