Gornitzky represents Israel Corp. in the public offering of new bonds in the amount of NIS 840 million.

News

Gornitzky represented Israel Corp. Ltd. in its public offering of new bonds in the amount of approximately NIS 840 million and in making changes to the terms of the company's currently traded bonds. One series of the new bonds is not linked to any index and the other series is linked to the U.S. dollar. The bonds were issued pursuant to a shelf prospectus and were listed for trade on the Tel Aviv Stock Exchange.

The company was represented by Partners Yair Shiloni and Nurit Traurik, together with Associates Itamar Ben Yehuda and Leeor Ofer.
