## **Gornitzky hosted the opening session of an Australian delegation**

### **News**

**On 14 May 2017, Gornitzky hosted the opening session of a delegation headed by Elizabeth Proust and Carol Schwartz, two prominent leading female corporate figures with senior positions at some of Australia's largest institutions.**

The delegation visited Israel to learn from Israeli technologies and meet with companies in the fields of foodtech, fintech and entrepreneurship. The session included a speech from Eli Elya, who heads Gornitzky's Australia Desk, as well as a presentation by iAngels with an overview of investing in Israel and innovation in Israeli technologies.
