Gornitzky represents EPD Solutions Ltd. in its acquisition by Philips.

News

Gornitzky represented EPD Solutions Ltd. in its acquisition by Philips. EPD develops cardiac imaging and navigation systems which aim to simplify navigation and treatment, immediately assess the treatment result and ultimately enhance procedure efficacy.

Philips acquired EPD for an upfront cash consideration of EUR 250,000,000 and deferred, milestone dependent payments of up to an approximate amount of EUR 210,000,000.

EPD Solutions Ltd. was represented by Daniel Marcus (Partner), Avner Finkelshtein (Partner), Danielle Skald, Yoav Meer and Noa Schweitzer-Amar.
