Gornitzky represents YES Pharma in its investment in Stereokem.

News

Gornitzky represented YES Pharma Ltd. in its purchase of 33% ownership of Stereokem Inc. a developer and manufacturer of active pharmaceutical ingredients (APIs). Stereokem is a US-based pharmaceutical industry leader, with much of its business concentrated in India.

Yes Pharma Ltd. is a distribution company, involved in both exclusive representation and global supply of pharmaceutical ingredients, with specialization in providing full sourcing options, complete technical capabilities and regulatory support for a wide range of APIs.

Yes Pharma was represented by Yisrael Spero (Partner) and Ariel Davis.
