Gornitzky & Co. receives an award for no "Glass Ceiling".

News

D&B Group (Israel) and WePower have named Gornitzky & Co. a leader in gender equality in the workplace.

For the first time in Israel, a study was conducted by WePower and the D&B Group (Israel) to explore the promotion of women in the workplace. The study examined the percentage of women in managerial and director positions amongst 450 companies traded on the Tel Aviv Index 100 and in leading law and accounting firms.

With women constituting over 30% of the firm's partners, Gornitzky & Co. was awarded as a leader in the Israeli market in this regard by WePower and D&B Group (Israel).
