Gornitzky represents Partner Communications, in the company's response to a derivative suit petition.

News

Partner Communications (commercially branded as "Orange") filed an objection to a motion to file a derivative suit against its directors, which challenged the distribution of dividends by Partner and loans obtained during the same period. Gornitzky & Co. responded to the petition on behalf of Partner, claiming that the petition for the approval of the derivative suit is based upon fundamental economic and legal errors, and should therefore be dismissed.

Partner Communications (Orange) is represented by Mr. Pinhas Rubin (Firm Chairman), Mr. Lior Porat (Partner) and Ms. Sagit Ohana-Livne (Partner).
