

January 10, 2019

Daniel Paserman (CPA), Head of Tax at our firm, was interviewed by Matthew Kalman for Bloomberg Tax regarding the new targets of ITA – tax-avoiding private holding companies.

Publications

Israel Tax Authority will exercise powers to force company owners to distribute dividends so they can be taxed at the full marginal rate.

"It's important. I think they will increase the pressure and start using the section effectively because it gives them a lot of power. They will go over the tax returns of all these private companies and they will see which have accumulated profits and they will start applying the section."
