## **Client Update: First Decision by the Competition Commissioner Regarding Instruction for Direct Importer.**

### **Client Updates**

The Competition Commissioner recently instructed s. schestowitz Ltd., a direct importer of Colgate-Palmolive products, to cease acting according to a directive that required it to provide information to Colgate-Palmolive about the presence of toothpastes under the Colgate brand that were imported into Israel by parallel importation.

Partner Avner Finkelshtein and associate Noa Schweitzer Amar, in a client update, reviewing the Commissioner's decision in the Schestowitz case.
